

Course Description

Basic Rifle Training Course-Cleaning

Cost is \$40.00 person

Length 2.0 hours

Location: Various Locations

Goal: The goal of this course is to provide individuals in the basic operations, use, care and responsibility of firearm ownership/operations.

Topics include, rifles components, nomenclature, care & maintenance and all firearms safety practices.

Who may attend

This class is open to anyone regardless of firearms ownership or prior experience.

Purpose

Utilizing the manufacturers, instructions as the basis for information and general accepted practices, this class provides the initial or foundational level of training to the operator/owner in all of the technical and hands-on competencies in the care, cleaning and maintenance of modern and antique rifles. It is designed to provide the essential information to the firearm operator/owner to realize potential and real ramifications from inappropriate, improper and or negligent maintenance.

Presentation Format :Virtual Instructor Led and In person (Instructor lead) (Blended)

This a hands on course utilizing chemical agents to clean residue powder, carbon and other materials. [Protective eye wear and nitrile gloves or equivalent are required.](#)

- Go to **Training Schedule (SEE BELOW)** (Posted at the SPG Range Office) to see when courses are being offered.
- Classes can be scheduled as needed via phone or email. (Listed Below)
- Classes are conducted both in a Virtual Instructor Leading Training (VILT) and Instructor Led (ILT) on a private or semi-private setting. Such a format will provide training on-line and reduce the physical traveling.
- A course completion Certificate is awarded upon successful completion of the course, the hands-on competencies and final payment.
